The image shows two Sharp multifunction copiers, the MX-B376W and MX-B476W, in a modern office environment. The copiers are white with grey accents and feature large touchscreens. The background shows a blurred office scene with people working at desks. The Sharp logo and 'mv' trademark are visible in the top right corner.

Slide 5

The screenshot displays the Sharp OSA (Online Service Agent) interface. At the top, there is a navigation bar with icons for Easy Copy, Easy Scan, HDD File retrieve, and Sharp OSA. To the right of these icons are checkboxes for LINE and PRINTER, and a Job Status button. Below the navigation bar, there is a search bar with the text "Sample1" and "sample1@internet.com". To the right of the search bar are buttons for "1", "+", a magnifying glass icon, and "OK". A red arrow points to the "OK" button. Below the search bar, there is a list of samples: "Sample1", "Sample2", and "Sample3". The "Sample1" entry is highlighted with a blue background. To the right of the list, there is a vertical column of letters: A, D, G, J, M, P, T. At the bottom of the interface, there is a "Frequent Use" button and a "Category" dropdown menu set to "All". A white text box with a black border is overlaid on the bottom of the interface, containing the text "Select a Name. Select OK.".

Slide 7

The image shows a document scanner control panel interface. At the top, there is a navigation bar with icons for 'Easy Copy', 'Easy Scan', 'HDD File retrieve', 'Sharp OSA', 'LINE', 'PRINTER', and 'Job Status'. Below this, the main display area shows 'Original 8 1/2 X 11' on the left. In the center, there is a row of four settings: 'Original' (set to 'Auto'), 'Resolution' (set to '200x200dpi'), 'File Format' (set to 'PDF' with color and grayscale options), and 'Blank Page Skip' (set to 'Off'). A red arrow points to the 'Blank Page Skip' setting. To the right of the settings is a 'Detail' button with a right arrow. At the bottom, there is a row of buttons: 'CA', 'Preview', a button with a star icon, 'B/W Start', and 'Color Start'. A text box overlay reads 'Select Blank Page Skip.'

Slide 9

The image shows a scanner control interface with a top toolbar containing icons for Easy Copy, Easy Scan, HDD File retrieve, Sharp OSA, LINE, PRINTER, and Job Status. Below the toolbar, the document is identified as 'Original 8 1/2 X 11' with an 'Address' field set to 'Sample1', a page number '1', and a 'Detail' button. The main settings area consists of four panels: 'Original' (set to 'Auto'), 'Resolution' (set to '200x200dpi'), 'File Format' (showing two 'PDF' options with color and grayscale icons), and 'Blank Page Skip' (set to 'Blank Page Only'). A red arrow points from the 'Sample1' address field to the 'Original' panel. At the bottom, there is a 'CA' button, a 'Preview' button, a 'Select Original.' button with a magic wand icon, and two buttons for 'B/W Start' and 'Color Start'.

Slide 11

The interface displays various settings for a scan job. At the top, there are icons for Easy Copy, Easy Scan, HDD File retrieve, Sharp OSA, and a PRINTER icon. A Job Status button is on the right. Below these, the document is identified as 'Original 8 1/2 X 11' with an 'Address' field set to 'Sample1'. A page number '1' and a '+' icon are next to it, followed by a 'Detail' button with a right arrow. The main settings area has four large buttons: 'Original' (set to 'Auto'), 'Resolution' (set to '200x200dpi'), 'File Format' (with two options: a CMYK color bar and 'PDF', and a black and white bar and 'PDF'), and 'Blank Page Skip' (set to 'Blank Page Only'). A red arrow points from the 'Blank Page Skip' button down to the 'Color Start' button in the bottom right. The bottom bar contains buttons for 'CA', 'Preview', a 'Select a Start Key.' message box, 'B/W Start', and 'Color Start'.
