

Slide 1

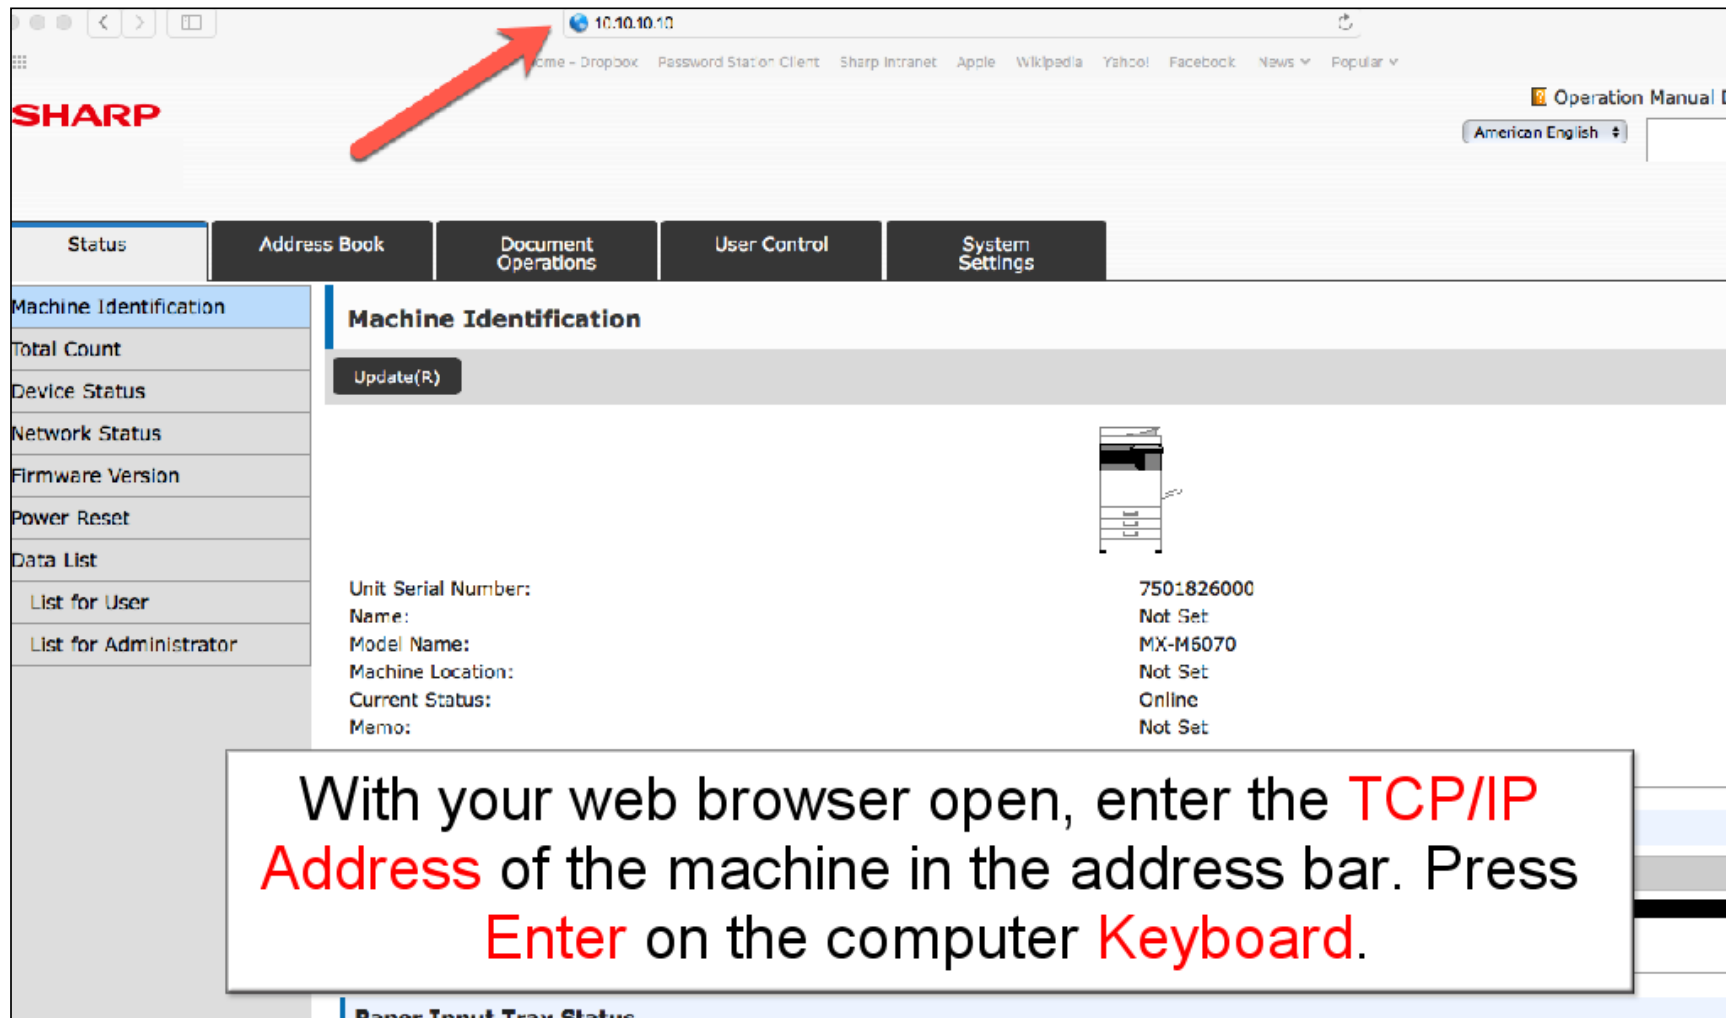

Using Custom Icons.

The image shows two Sharp MX-B376W and MX-B476W multifunction copiers in a modern office setting. The copiers are white with multiple paper trays and a control panel. The background is a dark, stylized office interior with people working. The Sharp logo and 'mv' trademark are visible in the top right corner.

MX-B376W
MX-B476W

Slide 2

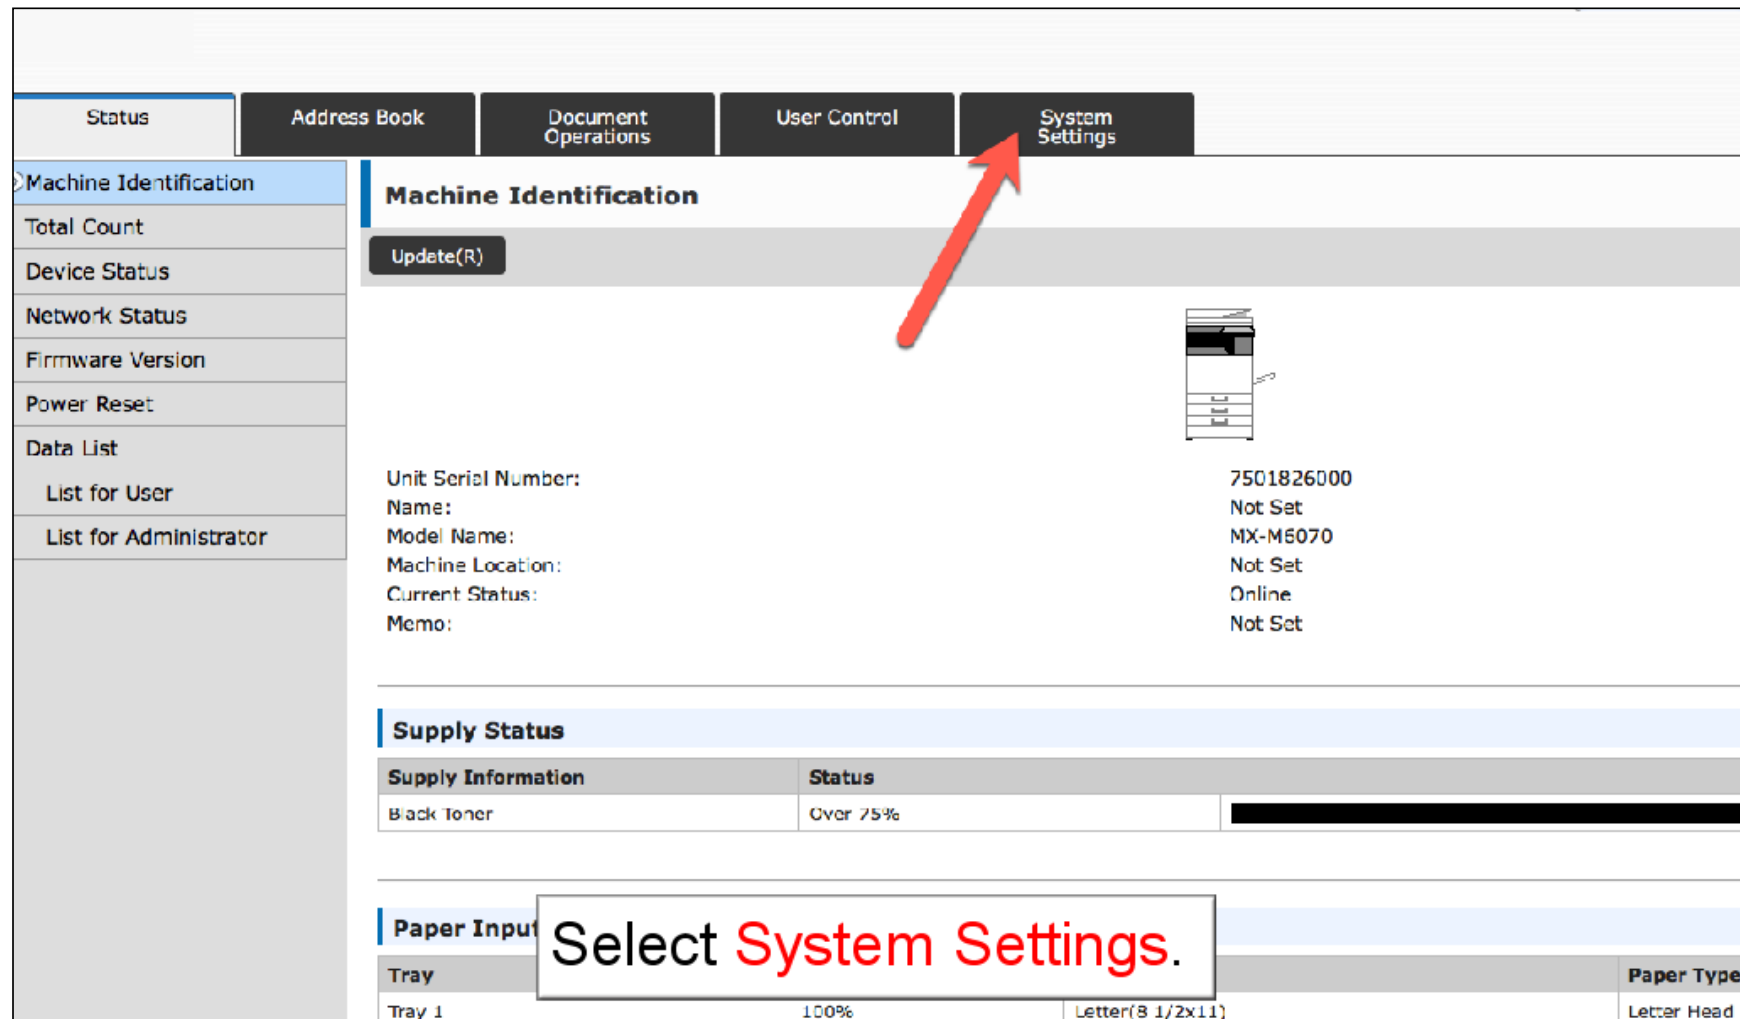

The screenshot shows a web browser window with the address bar displaying **10.10.10.10**. A red arrow points to this address. The browser's address bar also shows the text "Home - Dropbox Password Station Client Sharp Intranet Apple Wikipedia Yahoo! Facebook News Popular". The Sharp logo is visible in the top left corner. The page title is "Operation Manual D". The language is set to "American English". The page has a navigation bar with tabs: Status, Address Book, Document Operations, User Control, and System Settings. The "Machine Identification" section is active, showing a list of options on the left: Machine Identification, Total Count, Device Status, Network Status, Firmware Version, Power Reset, Data List, List for User, and List for Administrator. The main content area displays the "Machine Identification" page with an "Update(R)" button. A small icon of a Sharp MX-M6070 is shown. The following information is displayed:

Unit Serial Number:	7501826000
Name:	Not Set
Model Name:	MX-M6070
Machine Location:	Not Set
Current Status:	Online
Memo:	Not Set

Below the table, the text "Paper Input Tray Status" is visible.

With your web browser open, enter the **TCP/IP Address** of the machine in the address bar. Press **Enter** on the computer **Keyboard**.

Slide 3

The screenshot displays the My Viewlet interface. At the top, there is a navigation bar with tabs: Status, Address Book, Document Operations, User Control, and System Settings. A red arrow points to the System Settings tab. On the left side, there is a sidebar menu with options: Machine Identification (selected), Total Count, Device Status, Network Status, Firmware Version, Power Reset, Data List, List for User, and List for Administrator. The main content area shows the Machine Identification page. It includes an 'Update(R)' button and a small printer icon. Below this, there is a table with machine information:

Unit Serial Number:	7501826000
Name:	Not Set
Model Name:	MX-M5070
Machine Location:	Not Set
Current Status:	Online
Memo:	Not Set

Below the machine information, there is a 'Supply Status' section with a table:

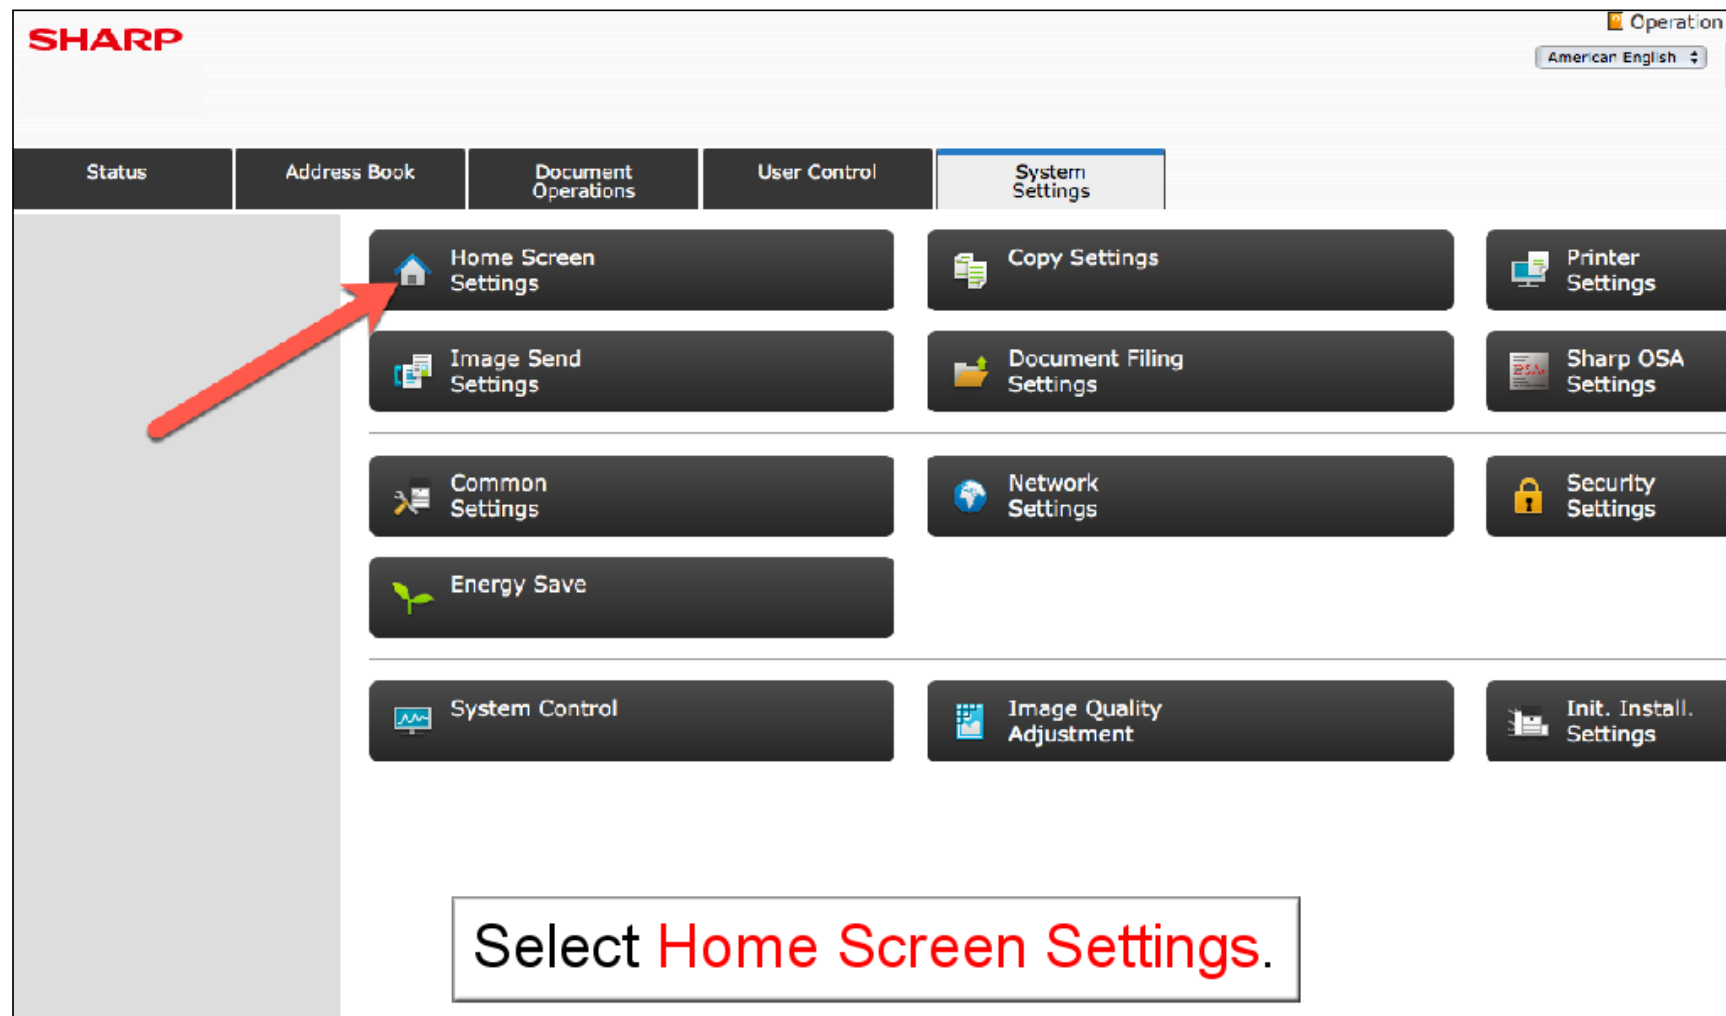

Supply Information	Status
Black Toner	Over 75% 

At the bottom, there is a 'Paper Input' section with a table:

Tray		Paper Type
Tray 1	100% 	Letter(8 1/2x11) Letter Head

A text box with the text 'Select System Settings.' is overlaid on the bottom right of the page.

Slide 4

The screenshot displays the SHARP Operation M interface. At the top, the SHARP logo is on the left, and 'Operation M' with a language dropdown set to 'American English' is on the right. Below this is a navigation bar with five tabs: Status, Address Book, Document Operations, User Control, and System Settings (which is currently selected). The main area contains a grid of settings buttons. A red arrow points to the 'Home Screen Settings' button, which is the first button in the first row. Other buttons include 'Copy Settings', 'Printer Settings', 'Image Send Settings', 'Document Filing Settings', 'Sharp OSA Settings', 'Common Settings', 'Network Settings', 'Security Settings', 'Energy Save', 'System Control', 'Image Quality Adjustment', and 'Init. Install. Settings'. At the bottom of the screen, a white box with a black border contains the text 'Select Home Screen Settings.' in black font, with 'Home Screen Settings' highlighted in red.

Slide 14

The image shows the SHARP System Settings web interface. At the top, there's a header with the SHARP logo, a language dropdown set to 'American English', and a user name 'Administrator'. Below the header is a navigation bar with tabs: Status, Address Book, Document Operations, User Control, and System Settings (which is active). On the left side of the System Settings page, there's a sidebar with 'Home Screen Settings' expanded, showing 'Condition Settings', 'Icon', and 'Background Image'. The main content area is divided into sections. The 'External Service Connect' section has radio buttons for LCD Control, Google Drive, OneDrive, SharePoint Online, Exchange, and Gmail. The 'Easy Connect Setup' section has a radio button for 'Easy Connect Setup (QR code)'. The 'Key Name' section has radio buttons for 'Default' (selected) and 'Custom' (with a text input field for up to 28 characters). The 'Image' section has a radio button for 'Use Custom Image' (which is highlighted by a red arrow) and a 'Select File' button. A large text box with a black border and red text says 'Select Use Custom Image.'
