

Slide 1

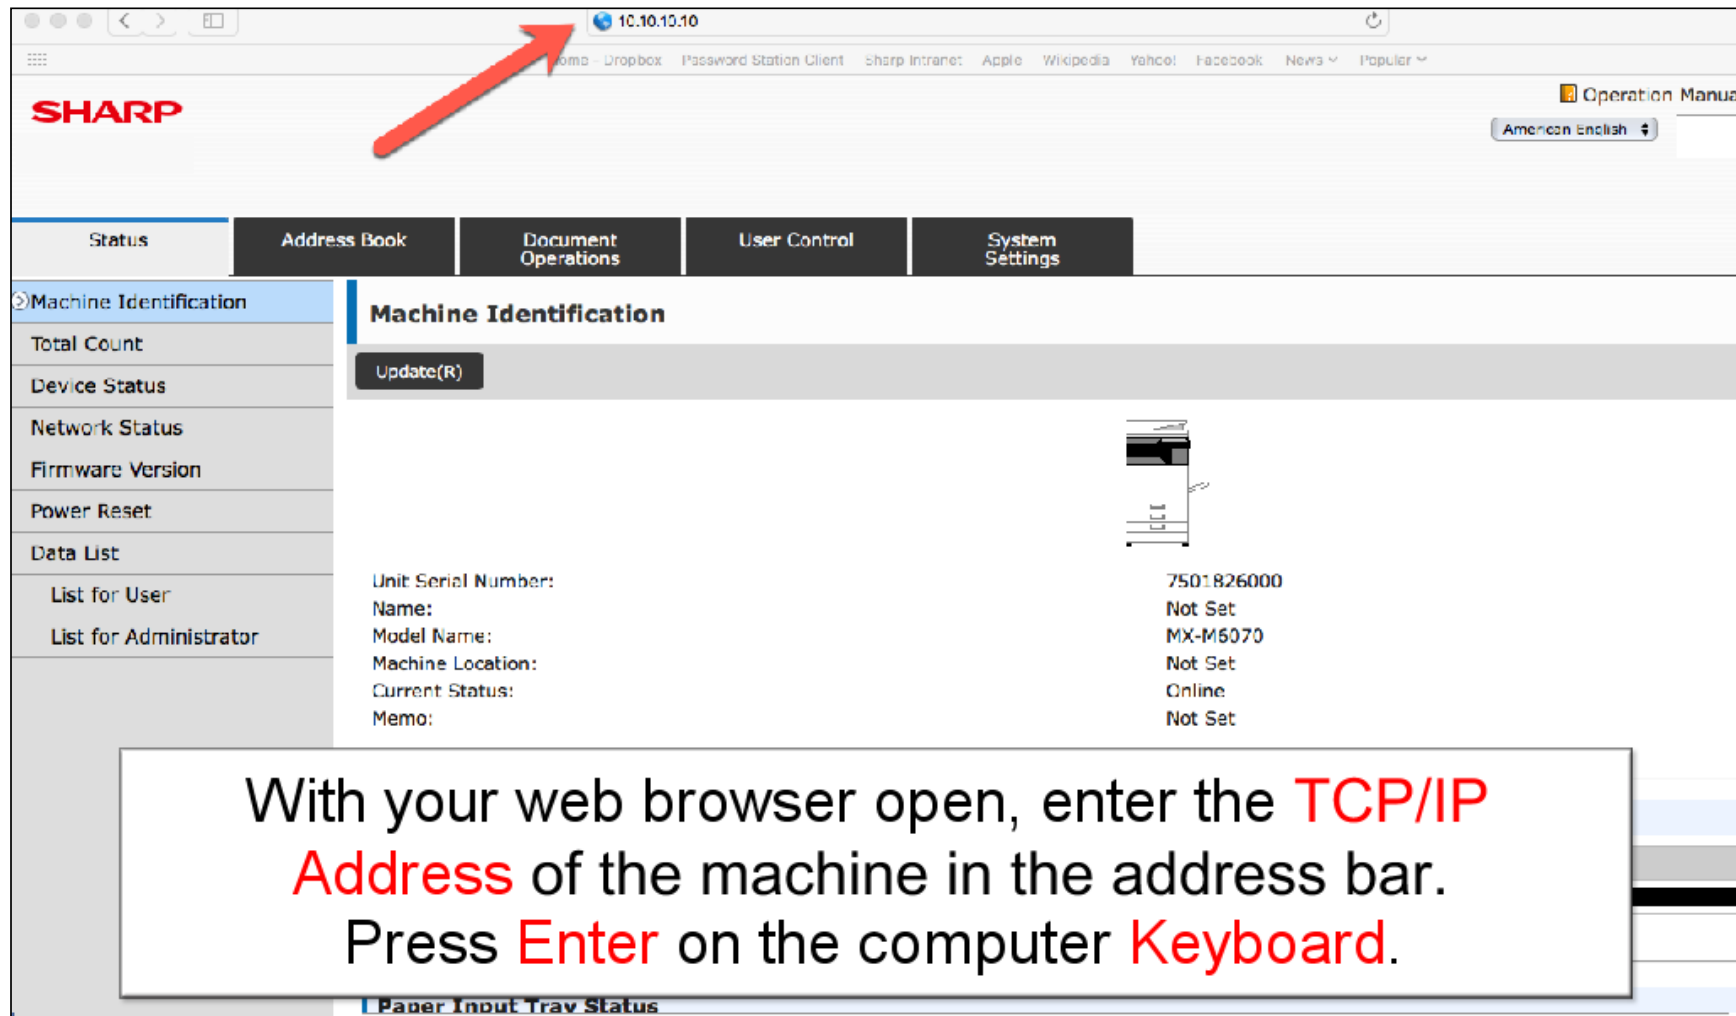

Creating a Custom Key Text.

The image shows two Sharp MX-B376W and MX-B476W multifunction copiers in a modern office setting. The copiers are white with multiple paper trays and a control panel. The background is a dark, stylized office interior with people working. The Sharp logo and 'mv' trademark are visible in the top right corner.

Slide 2

The screenshot shows a web browser window with the address bar displaying **10.10.10.10**. A red arrow points to this address. The browser's address bar also shows a list of bookmarks: Home, Dropbox, Password Station Client, Sharp Intranet, Apple, Wikipedia, Yahoo!, Facebook, News, and Popular. The Sharp logo is visible in the top left corner of the page. The page has a navigation bar with tabs: Status, Address Book, Document Operations, User Control, and System Settings. The 'Machine Identification' section is active, showing a list of options on the left: Machine Identification, Total Count, Device Status, Network Status, Firmware Version, Power Reset, Data List, List for User, and List for Administrator. The main content area displays the 'Machine Identification' details for the device, including a 'Unit Serial Number' of 7501826000 and a 'Model Name' of MX-M6070. A red text box is overlaid on the bottom of the screenshot, providing instructions on how to access the web interface.

With your web browser open, enter the **TCP/IP Address** of the machine in the address bar. Press **Enter** on the computer **Keyboard**.

Slide 4

The image shows the Sharp My Viewlet interface. At the top left is the SHARP logo. At the top right, it says "Operation" and "American English" with a dropdown arrow. Below this is a horizontal menu with tabs: Status, Address Book, Document Operations, User Control, and System Settings (which is highlighted). The main area displays a grid of settings tiles. A red arrow points to the "Home Screen Settings" tile. The tiles are arranged in three rows: the first row has Home Screen Settings, Copy Settings, and Printer Settings; the second row has Image Send Settings, Document Filing Settings, and Sharp OSA Settings; the third row has Common Settings, Network Settings, and Security Settings. Below these is an "Energy Save" tile. The bottom row contains System Control, Image Quality Adjustment, and Init. Install. Settings. At the bottom of the screen, a white box with a black border contains the text "Select Home Screen Settings." in black font, with "Home Screen Settings" in red.
