

Slide 1

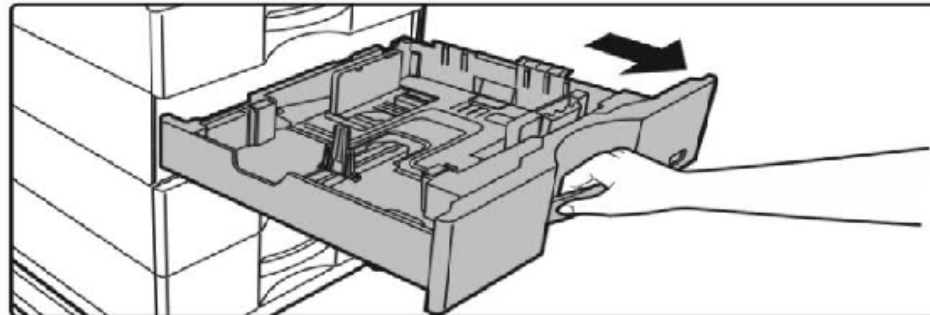

Slide 2

**Tray 1**

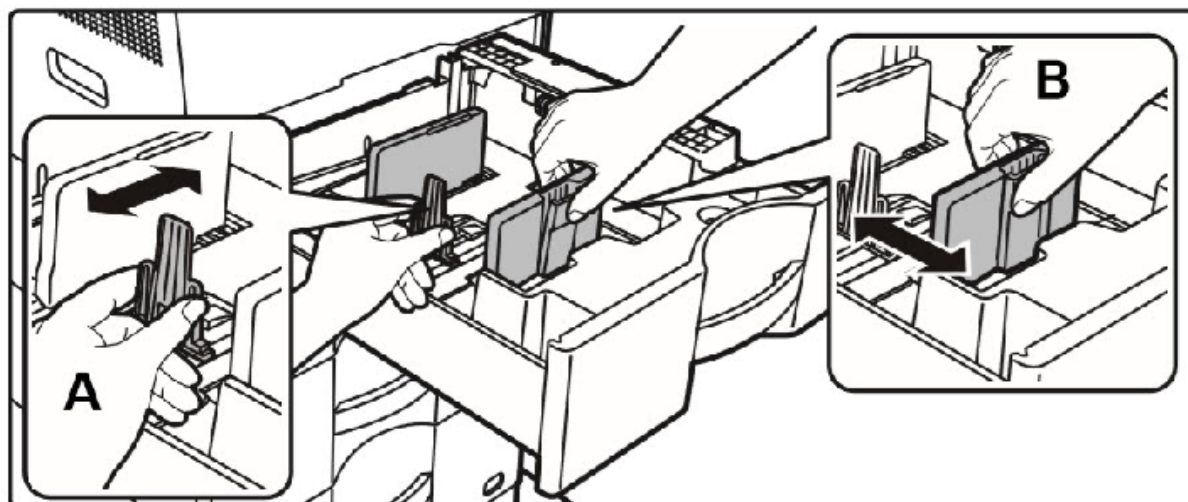

**Tray 2 - 4**

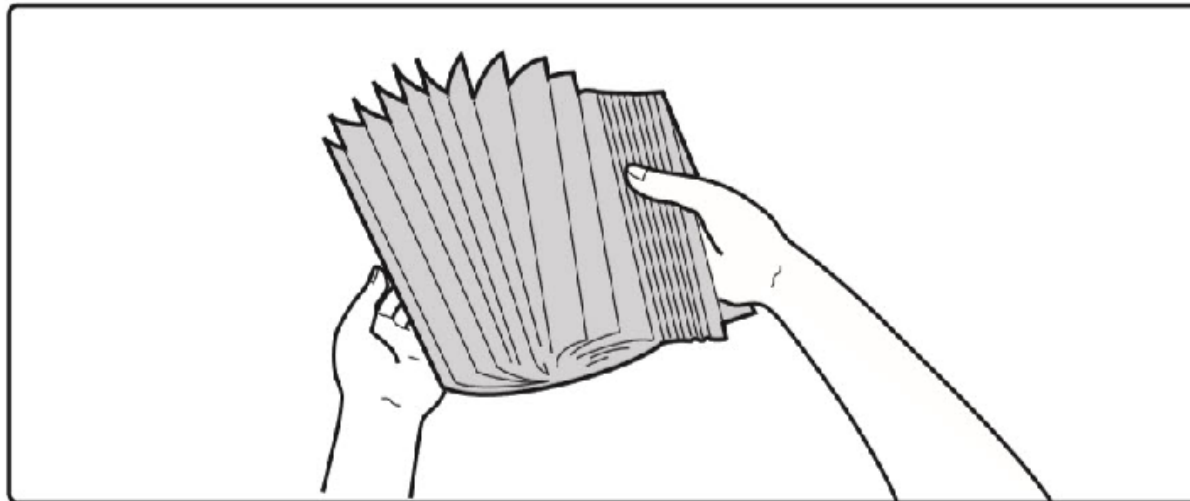

Gently pull out the **Tray**.

Slide 3

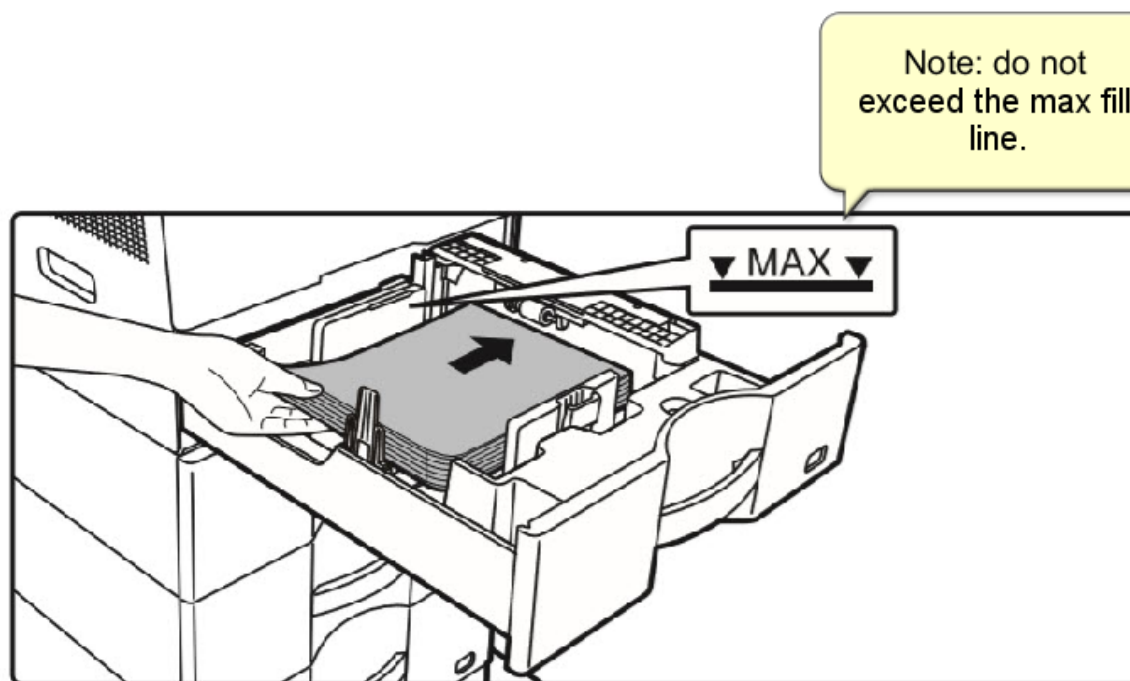

Adjust the **Guide Plates A** and **B** to match the dimensions of the paper being loaded.

*Slide 4*

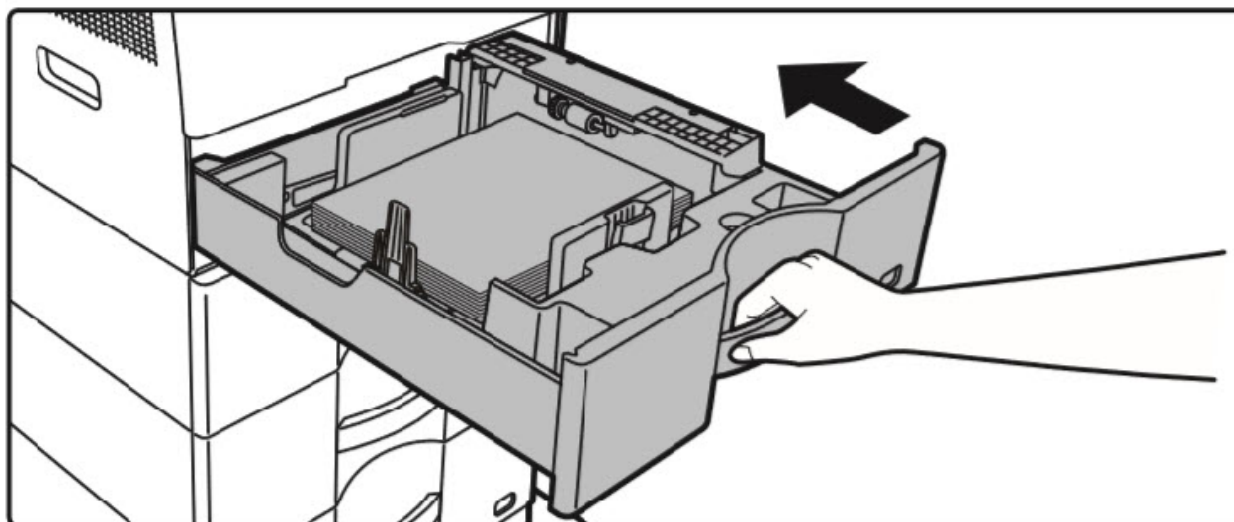

Fan the paper being loaded to  
avoid paper misfeeds.

Slide 5

Insert the paper into the **Tray**.

Slide 6

Gently close the **Paper Tray** until it locks into place.

Slide 7

Congratulations, you have successfully loaded the paper feed tray.

The image shows two white Sharp multifunction copiers, the MX-B376W and MX-B476W, standing in a modern office environment. The copiers are tall, white, and feature multiple paper trays at the bottom. The MX-B476W on the right is slightly larger than the MX-B376W on the left. Both machines have a control panel with a small screen and several buttons. In the background, a man in a suit is standing and talking to two women seated at a conference table. The Sharp logo and 'mv' trademark are visible in the top right corner of the image.
