

Slide 1

Scan to USB.

The image shows two Sharp multifunction copiers, the MX-B376W and MX-B476W, in a modern office environment. The copiers are white with grey accents and feature a control panel with a color touchscreen. The background shows a blurred office scene with people working at desks. The Sharp logo and 'mv' trademark are visible in the top right corner.

Slide 12

The screenshot shows a Sharp OSA (Office System Agent) interface. At the top, there is a navigation bar with icons for 'Easy Copy', 'Easy Scan', 'HDD File retrieve', and 'Sharp OSA'. To the right of these icons are checkboxes for 'LINE' and 'PRINTER', and a 'Job Status' button. The main area is titled 'Stored to' and contains a list of folders: 'Accounting', 'Marketing', 'Sales', and 'System Volume Information'. A red arrow points to the 'Sales' folder. To the right of the folder list is a 'New Folder' section with a play button icon and several empty input fields. At the bottom right, there is a yellow 'CA' button and a large 'Execute' button. A text box at the bottom center of the main area contains the text 'Select a folder.'

The screenshot displays the Sharp OSA software interface. At the top, there is a navigation bar with icons for Easy Copy, Easy Scan, HDD File retrieve, and Sharp OSA. To the right of these icons are checkboxes for LINE and PRINTER, and a Job Status button. Below the navigation bar, the File Name is set to 'contract' and the Stored To location is '\Sales\Contracts'. On the left side, a settings menu is highlighted with a red border, containing the following options: Color Mode (Auto/Mono2), Resolution (200x200dpi), File Format (PDF), Original, Exposure (Auto), and Job Build. On the right side, there is a 'Return to Folder Selection Screen' button. At the bottom right, there are buttons for Preview, CA, and a large blue Start button. A red arrow points to the Start button. A text box in the center of the screen reads: 'Edit the Scanning Features. Select Start.'
