Setting the Fax Resolution.

The image shows two Sharp multifunction copiers, the MX-B376W and MX-B476W, in a dimly lit office environment. The copiers are white with grey accents and feature a control panel with a small screen and buttons. The background shows a blurred office scene with people working at desks. The Sharp logo and 'mv' trademark are visible in the top right corner.

The image shows a control panel for a fax machine. At the top, there is a status bar with icons for Easy Scan, HDD File retrieve, Sharp OSA, LINE, and PRINTER, along with a Job Status button. Below this is a large display area. At the top of the display area, there is a label 'Address' followed by a text field containing '1112220088'. To the right of the text field are two buttons: '1' and '+'. To the right of these buttons is a blue 'OK' button, which is pointed to by a red arrow. Below the text field is a numeric keypad with buttons for digits 1 through 9, 0, and a '#' key. There are also buttons for 'Pause', 'Sub Address', and a pink 'C' (Clear) button. At the bottom of the panel, there is a 'CA' button, a 'Preview' button, a text box containing the instruction 'Enter the fax number. Select OK.', and a large blue 'Start' button.
